RE: **REACH – Substances of Very High Concern (SVHC)**

Dear Valued Customer,

Nazdar is aware of REACH Regulations and the proposals by the European Chemicals Agency's (ECHA) for the candidate list of items to be included on the list of Substances of Very High Concern (SVHC) including the most recent list published June 25, 2025.

Based on information from our suppliers and formulation analysis, the below product(s) are not manufactured with any of the substances listed in the most recent candidate list nor are they intentionally added during the manufacturing process.

THE BELOW SERIES DO NOT CONTAIN SVHCS

SCREEN INKS

See the next page for those series that DO contain SVHCs.

THE BELOW SERIES DO CONTAIN SVHCS

Based on information from our suppliers and formulation analysis, the below series have one or more products that are manufactured with one or more substances listed in the most recent candidate list at greater than 0.1% w/w.

Refer to the included "SVHC Addendum – Substances by Series by Product" for a list of active standard line products containing SVHC substances. If an active standard line product is not listed on the Addendum within the respective series, that specific product does NOT contain an SVHC.
