

# NAZDAR

## SOURCE ONE

### MIST PALLET ADHESIVE NDS. 082

A mist-type economy pallet adhesive ideal for textile screen printers. The pressure-sensitive formula makes it repositionable without losing its tack for a number of screen passes before an additional application is necessary. It quickly strips without stain or residue. Will not transfer to fabric.

USES: Ideal for t-shirt fabrics. Bonds to cloth, paper, cardboard, acetate, foil, plastic film, cork, foam rubber and leather.

### WEB ADHESIVE SPRAY NDS. 083

A web type economy pallet adhesive ideal for textile screen printers. The pressure-sensitive formula makes it repositionable without losing its strength. It sprays on easily and evenly for screenprint tacking. It will not transfer to fabric or allow shifting of the material during the screenprinting process making it ideal for heavier type fabrics.

USES: Ideal for sweatshirt fabrics. Bonds to cloth, paper, cardboard, acetate, foil, plastic film, cork, foam rubber and leather.

### SUPER FLASH SPRAY ADHESIVE NDS. 084

A textile screen printing pallet adhesive ideal for flash curing. This high-quality industrial grade spray adhesive has excellent heat resistance. It remains tacky even when exposed repeatedly to the high temperature required to cure plastisol inks. It will not transfer to fabric or allow the fabric to shift during the screenprinting process. Safe to use on any fabric.

### NON-STOP 90 SOLVENT BASED SCREEN OPENER NS. 90

A convenient and easy-to-use product designed to open dried-up areas on screens. Use at regular intervals to help prevent clogging and work delays.

USES: Simply spray a very thin application to the dried-in area or areas. Two or three squeegee passes will open the mesh completely.

### ALL-PURPOSE WIPES NO. 983

A water-based hand and surface cleaner that cuts through tar, grease, wax, ink, paint, lubricants and adhesives. Aggressive, citrus scented towels are industrial strength, yet gentle enough for your hands, as they are fortified with an emollient and natural oils.

USES: Use them for every job from loosening and dissolving tough grease, grime and oils from hands and surfaces to equipment and tools. Great for on the job hand cleaning when a water source is not available. Use on a variety of hard surfaces, such as bathroom partitions, phone booths, lamp posts, bus stops, gym lockers, etc.
