INFRARED DRYING SYSTEMS®

screen printing

SCREENPRINT DRYERS

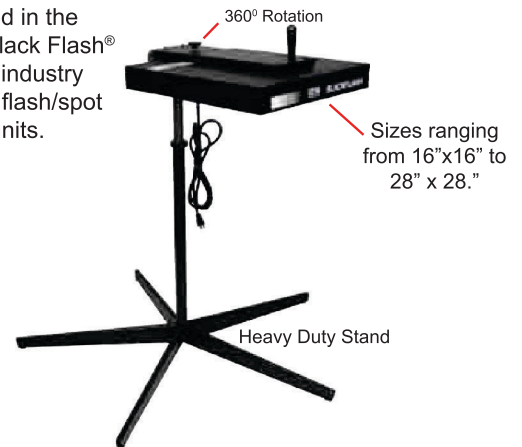

Setting the Standard in Electric Infrared Technology.

Black Flash® Features:

- **Even Heat Distribution** - Full image coverage provided by consistent radiation over the entire dryer face.
- **Add on Accessories** - Easily expand any basic unit to suit your production requirements.
- **Energy Efficient** - Dryer converts more than 90% of energy into heat.
- **Largest Selection Available** - Manual or automatic, the Black Flash® comes in a wide range of sizes, wattages, and voltages.
- **Three Year Limited Warranty**

BLACK FLASH®

Introduced in the 1970s, the Black Flash® is still the industry standard in flash/spot cure units.

**basic model shown above- options and accessories on back.*
