Technical Data Sheet
FabriTac®

FabriTac® is a removable, adhesive fabric that may be mounted to any surface and repositioned countless times. FabriTac will retain its adhesion and leaves no residue. FabriTac has a unique coating which is quick drying and water resistant. The material provides superb quality, color gamut and resolution and is compatible for use with solvent, eco-solvent, UV and Latex inks. FabriTac is designed with unique opaque properties which prevents translucency problems associated with comparable products. Available in widths from 42" - 60".
