

KIWOCLEAN® ECO-WASH

An ECO-nomical, mild odor, ink cleaning solvent

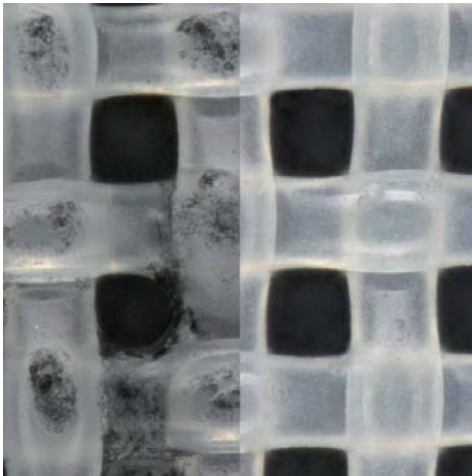

Product benefits

- Economical ink wash used to remove ink during the screen reclaiming process
- Quickly dissolves all textile and graphic UV inks
- May be applied manually in a washout booth or used in enclosed automatic screen washing machines
- Mild odor = happier employees
- May be used to treat fresh ink stains without damaging the mesh

KIWOCLEAN ° ECO-WASH

KIWOCLEAN ° ECO-WASH is a low odor solvent mixture for the removal of most screen printing inks. It is designed for cleaning screens prior to reclaiming. Its low foaming formulation makes it especially suitable for use in automatic washout equipment.

Before application | After application

PHYSICAL PROPERTIES:
