Epson SureColor R-Series Printers

Enhanced Service & Support Options
Save Time & Money!

New PrecisionCore TFP print head – enabling tool-free, user replacement

- Quickly & easily replace print heads: no waiting for a technician.*
- Print heads no longer covered within Service Plans:
    - Reduced Service Plan prices *(save over $1,000 vs. comparable, previous plans)*.
    - Increased control over ongoing support costs.
- PrecisionCore TFP print heads remain robust and long lasting.
  (Unlike thermal print heads which are expected to be discarded after reaching a prescribed ink volume)

Epson Cloud Solution PORT

- Additional remote diagnostic/support capabilities.
- Enhanced printer management & fleet management tools.
- Unlocks $1,200 savings on the cost of a print head, and Extended Service Plan.
    - $500 savings: Self Repair Service plan, vs. Traditional plan.
    - $700 savings on print heads for PORT customers (*more than 50% off!*).

Multi-year, Self Repair, Extended Service Plans (longer plans = greater savings!)

- 2 yr plan saves $695 ($347.50/yr)* vs. 1 yr plans
- 4 yr plan saves $2,285 ($571.25/yr)* vs. 1 yr plans

* Epson Cloud Solutions PORT (ECSP) enrollment is required, to receive discounts on print heads, and access to lower priced, Self Repair Extended Service Plans.

SureColor R-Series Warranty Coverage, Extended Service Plans & Print Heads

Traditional Service Plans

- 1 yr coverage included with printer, (90-day warranty on print head).
- Extended Plan available, beyond 1st year.
- All parts and labor included, (excluding price of replacement print head).
- Includes labor for print head replacement.

Self Repair Extended Service Plans

- Available in 1, 2 or 4 yr plans (beyond included 1st year warranty).
- Covers all parts and labor (excludes print head cost, and labor to install).
