

PRE-STRETCHED ALUMINUM FRAMES

SourceOne.Nazdar.com

Nazdar SourceOne brings you pre-stretched aluminum frames that are cut from 6005T5 alloy, pulse welded securely to insure a water tight seal and ground smooth for flatness and handling ease. There are multiple frame sizes with mesh ranging from 38 tpi to 305 tpi to choose from. Custom frame sizes, custom mesh counts and screen restretching are available upon request.
