BSN SPORTS™
APPROVED

Newly formulated with advanced technology, Wilflex™ Epic™ Rival Sport Victory colors deliver maximum coverage with the fewest strokes when printing directly onto fabric or over an under-base. These popular industry colors provide excellent on-press performance, bleed protection, and flexible cure printing for athletic garments.

NEW & IMPROVED TECHNOLOGY

Now with improved stretch, softer hand, and better opacity, Wilflex Rival Sport technology can help users achieve their screen printing goals and win with customers.

APPROVED COLORS

Wilflex Epic Rival Sport Victory colors are approved by BSN Sports™ through in-house print shops and authorized to the BSN Sports printer network. Access the premixed color offering of BSN Core 24 Victory colors manufactured by Wilflex.

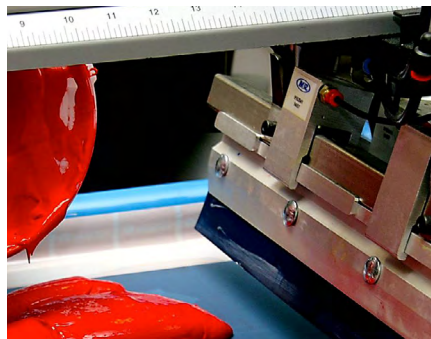

FLEXIBLE CURE

Cure at temperatures as low as 250°F–320°F (121°C–160°C) with Wilflex Epic Rival Sport Victory colors. Reduce your energy use, save on heat-related expenses, and protect your expensive garments when decorating with flexible cure inks.

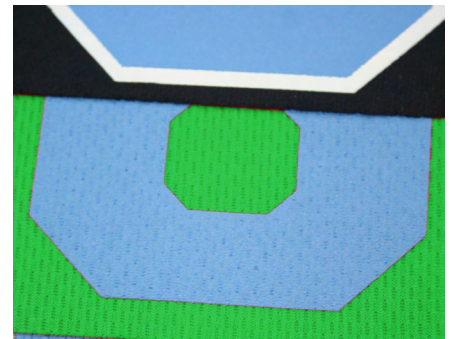

ENHANCED BLEED PROTECTION

Is ink bleed still an obstacle when printing directly onto polyester fabrics? Achieve excellent bleed protection from Wilflex Rival Sport technology's improved formulation and minimize the risk of dye migration.

PRINTABILITY

Rival Sport Victory colors print through a wide range of meshes and excel on automatic or manual presses. From small runs to large, Wilflex Epic Rival Sport Victory colors hit the goal!

BETTER ACCURACY

Wilflex Epic Rival Sport Victory colors deliver repeatable color accuracy across a wide range of substrates using both a print-flash-print and an under base technique. Achieve your target color faster and with fewer strokes, saving time and reducing costs.

The color chips presented on this Color Card are simulations of Wilflex colors. Slight variations may be seen between these chips and actual Wilflex inks. Printed results may vary based on production methods such as ink film thickness, opacity and substrate.
