Please review this order acknowledgement for accuracy. Most importantly, please ensure that item description, quantity and price are correct. Note that the acknowledged ship date is the approximate date of availability and is for SourceOne manufacturing and scheduling use only. This date is subject to change relative to demand and scheduling adjustments. SourceOne policy is to ship standard products in stock and backorder remainder.

New Updates

Remaining:

This indicates what products that you've ordered still need to ship. This is helpful especially in cases where items in the same order have different ship dates.

Ship Date:

This is the expected ship date.
