PRODUCT PERFORMANCE & SUITABILITY:

All of the descriptive information and recommendations for the use of ImageStar media should be used only as a guide. Consumer is encouraged to test prior to processing. Furnishing such information and recommendations shall in no event constitute a warranty of any kind. All purchasers of the ImageStar Media shall independently determine the suitability of the material for the purpose for which it is purchased. Seller's only obligation shall be to replace such quantity of the product proved to be defective. The seller shall not be liable either in tort or in contract for any loss or damage, direct, incidental or consequential (including ink, labor and loss of profits or revenue) arising out of the use of or the inability to use the product.

* Testing is recommended for older latex printers.
