

Transform any wall by digitally printing a unique artistic look.

Décor products with unique textured finishes

What is IMAGin® Deco?

IMAGin DecoFresco & DecoMural are NEW wall media in MACTac’s popular décor product range with unique finishes that can be used on almost any smooth wall. DecoFresco is a matte PVC with a brushed organic texture for ink jet printing. With its deep texture, DecoFresco provides a unique finish to any décor application. DecoMural is ideal for providing a long-term textured wall mural to any smooth wall. Easy to install and scratch resistant, DecoMural has medium texture and feel, which allows for a clean rich looking graphic.
