

An On-a-Roll Lifter for *Every* Roll Handling Situation.

Here's how to choose the right lifter for you...

- What is the weight, width and diameter of your roll?
- Do you need to spin the roll to break the friction lock on the differential shaft?
- What is the clearance below your printer?

- What is the maximum lift height required?
- Do any obstructions across the bottom of your printer, such as a dancer bar, prevent access?
- Do any floor obstructions in the roll loading area, such as floor-mounted brackets, prevent access?

Match your needs to the lifter below

The Foster On-a-Roll Lifter family ...a Lifter for *every* need

**Model 61574
LOW PROFILE**

Best for HP Latex 1500, 3100
and 3500 printers.

**Model 61584
STANDARD MODEL**
Best for most brands of printers.

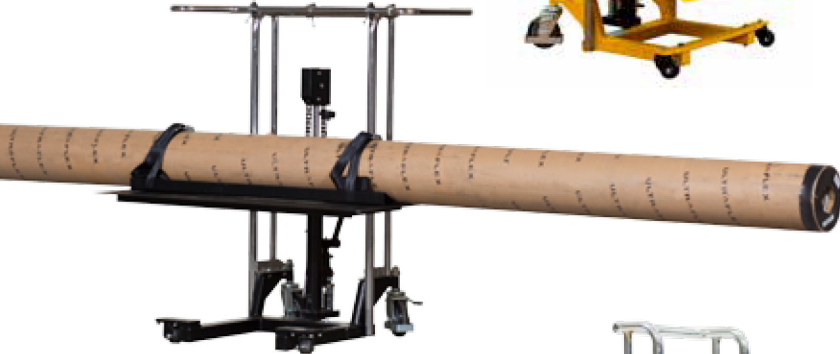

**Model 61586
STANDARD PLUS MODEL**
Best for most brands of printers.

**Model 61590
GRANDE**
Best for converters and package printers.

**Model 61570
HI-RISE**
Best for fabric printing
and finishing.

**Model 61580
UNIVERSAL**
Best for AGFA and other brands of
roll-to-roll printers.

**Model 61579
COMPACT**
Best for 72" wide and smaller printers.
For shops with limited floor space.

**Model 61577
JUMBO**
Best for EFI, Reggiani and Matan printers.

**Model 61592
SPINNER**
Positions media rolls for converting,
winding, and unwinding.
