

ALBATROSS INK-X SPRAY INK REMOVER

Ink-X is a powerful aerosol spray which dissolves all types of ink stains. . . ball point ink, stamp pad ink, magic marker, paint and pencil. Ink-X has a unique "foaming action" which breaks the bond between the stain and the fabric. Ink-X does not contain methylene chloride or any other chlorinated solvents. After applying Ink-X, flush with any liquid cleaning solvent.

Item No. 1036 – 13 oz. Aerosol Can, 12 per case

ALBATROSS FORMULA L.R. (LIPSTICK REMOVER)

Formula L.R. removes ball point ink, dye, lipstick, tar, heavy oil and grease stains. It is a highly concentrated product – a small amount will loosen the toughest stain. Formula L.R. has a semi-paste consistency and can be applied with a brush or cloth. Flush with any liquid cleaning solvent.

Item No. 1037 – 14 fl. oz. Jar – 12 per case.

ALBATROSS FORMULA B.R. (BLOOD REMOVER)

Formula B.R. is a highly concentrated non-flammable formula which effectively eradicates blood stains from all materials. Formula B.R. also removes food stain and perspiration stains. It is perfectly safe on all colors and fabrics. Formula B.R. is packaged with a convenient applicator tip. Flush with water or steam.

Item No. 1039 – 8 fl. oz. cont. – 12 per case. **Item No. 1040** – 16 fl. oz. cont. – 12 per case.

ALBATROSS COFFEE REMOVER

Coffee Remover is a powerful, non-flammable cleaner which removes coffee, tea, soft drinks, dye, grass, mustard, liquor and other food stains. It is safe for use on all fabrics. Albatross Coffee Remover is packaged in a "flip top" container. Flush with water or steam.

Item No. 1041 – 8 oz. container, 12 per case

ALBATROSS POWDER SPOT REMOVER

Albatross Powder Spot Remover is a highly absorbent white powder spray which actually lifts the spots from fabrics so that they can be brushed away. It is effective on all fabrics including silk, taffeta, cotton, wool, polyester and blends. Albatross Powder Spot Remover can be used to lift rings off fabrics, which may have been left by a liquid cleaner. Albatross Powder Spot Remover does not contain any chlorinated solvents.

Item No. 1061 – 10 oz. Aerosol Can, 12 per case. **Item No. 1062** – 13 oz. Aerosol Can, 12 per case.

SUPERKLEEN CHEWING GUM REMOVER

Chewing Gum Remover is a safe effective way to remove gum, putty, wax and other gummy substances from fabrics, carpeting, wood panels, floors, desks and chairs. Superkleen freezes the gum which breaks the bond between the gum and the surface. Any remaining residue can be removed with a liquid spot remover.

Item No. 1551 – 10 oz. Aerosol Can, 12 per case.

EXPERT RUST REMOVER

Expert Rust Remover effectively removes all rust and metal stains from cotton, wool, synthetics, blends and carpet. It does not tender or degrade fabrics. It may also be used to remove rust stains from porcelain, tile and other non-metal hard surfaces. Must be flushed with water or steam after use.

Item No. 1043 – 16 fl. oz. container, 12 per case

EXPERT INK REMOVER

Expert Ink Remover instantly removes ball point ink from all fabrics. The fast acting liquid penetrates the ink and allows you to wipe off the stain. It may also be used as a pre-spotter to loosen ink marks before being sprayed out with a spot cleaning gun and liquid cleaning solvent. Safe for use on all washable fabrics.

Item No. 1044 – 16 fl. oz. container, 12 per case

EXPERT SPOT LIFT POWDER

Expert Spot Lift Powder is the most powerful powdered spot remover. Simply spray Spot Lift Powder onto the fabric, let it dry and brush it off. The absorbent white powder pulls the stain into the powder. Expert Spot Lift Powder removes grease, oil and food stains from clothing, upholstery, carpets, wallpaper and more.

Item No. 1672 – 16 oz. Aerosol Can, 12 cans per case

EXPERT SPOT REMOVER

Expert Spot Remover is a powerful liquid solvent blend in an aerosol can. It is referred to as "Dry Cleaner In a Can." It removes oil, grease, cosmetics and industrial stains from clothing, upholstery and carpets.

Item No. 1666 – 12 oz. Aerosol Can, 12 cans per case

EXPERT SCORCH REMOVER

Expert Scorch Remover instantly removes scorch and light burn marks from clothing. Packaged in a pump spray container. Easy to apply. Spray Scorch Remover on mark. Run the fabric through a warm dryer or press with a warm iron. Scorch Remover is especially useful for screen printers.

Item No. 1045 – 16 fl. oz.-12 per case

Item No. 1046 – 1 Gal - 4 per case

S.P.I.F.® CURED INK REMOVER

S.P.I.F. completely removes cured plastisol inks, most water based inks, flock lettering and adhesives from all textiles. Its unique oxygenated formula leaves fabric free of any trace of the ink smudge. Unlike other cured ink removers, S.P.I.F. is a full strength product and does not contain any petroleum hydrocarbon "fillers." This insures that the ink marks are removed using a minimum of product.

Item No. 1070 – 1 Gallon, 4 per case

Item No. 1071 – 5 Gallon, 1 per case

Item No. 1073 – 55 Gallon Drum

S.P.I.F.® II CURED INK REMOVER

S.P.I.F. II is a unique cured ink remover which does not contain any methylene chloride, perchloroethylene or any other chemical requiring a cancer warning. It completely removes all cured ink marks from all types of textiles. Unlike regular S.P.I.F. and other methylene chloride based products, S.P.I.F. II has a high T.L.V. and is not subject to the methylene chloride exposure monitoring standards and medical surveillance requirements. S.P.I.F. II carries a HMIS rating for health concerns of "1" for slight. S.P.I.F. II does not contain any ketones (like acetone or methyl ethyl ketone) and is not considered a flammable liquid.

Item No. 1090 – 1 Gallon, 4 per case

Item No. 1092 – 5 Gallon, 1 per case

Item No. 1094 – 55 Gallon Drum

WHITE SOAP STICK

White Soap Sticks are used to dissolve water soluble stains from all gentle textiles. Simply rub the stick onto the stain. Flush the stain out using high pressure water. The soap sticks are ideal for use with HydroSolv Cleaning Stations.

Item No. 39-14 – 4 inch stick, 30 sticks per case

GREEN SOAP STICK

Green Soap Sticks are used to dissolve water soluble stains from all sturdy textiles. Simply rub the stick onto the stain. Flush the stain out using high pressure water. The soap sticks are ideal for use with HydroSolv Cleaning Stations.

Item No. 39-15 – 4 inch stick, 30 sticks per case
