

The "green" solutions for pallet adhesion

# ALBATROSS® WATER-BASED PALLET ADHESIVES

- Most economical way to tack textiles to pallets
  - No solvent, No VOC's & No Odors
    - No Aerosol Adhesive Mess
    - Long lasting tack
  - Tack re-activated with water
- No Propellant, No CO2, No Greenhouse Gases!

**ALBATROSS BRUSH-TAC** water-based pallet adhesive is formulated for brush or "card" on application. It is more viscous than standard water-based bulk adhesives for easier better controlled applications. Doing a lot of flashing? Brush-Tac holds up extremely well to multiple flashes. With a fast set-up time and long durability (some printers can print all day with a single application), Albatross Brush-Tac keeps your press clean and your adhesive costs down. Brush-Tac can also be re-activated with a spray bottle of water further reducing your costs. Newly re-packaged in a 16oz squeeze bottle with a plastic spreader, Albatross Brush-Tac is ready to go for any size printer.

Item No.	Container Size
1099	16 fl. oz. Bottle w/spreader (shown above)
1096	1 Gallon Container - Case Pack: 4
1097	5 Gallon Pail
1098	55 Gallon Drum

## ALBATROSS SAFE-T-TACK PALLET ADHESIVE

Albatross Safe-T-Tack is a non-flammable, non-V.O.C. water-based adhesive. It provides a long lasting pressure sensitive tack for your screen printing pallets. Using Safe-T-Tack will keep your press, floors and personnel clean. Safe-T-Tack can be applied with the pneumatic Albatross APS System or PSB spray guns. Safe-T-Tack obtains immediate tack with no overspray.

Item No.	Container Size
1081	16 fl. oz. Container - Case Pack: 12
1082	1 Gallon Container - Case Pack: 4
1083	5 Gallon Pail
1085	55 Gallon Drum

## ALBATROSS SAFE-T-TACK CONCENTRATE

Safe-T-Tack Concentrate is the ideal product for those who require a specific viscosity of their water-based spray adhesive. Depending on the users needs it can be mixed with water up to 50%, for thinner spray adhesive applications or less for thicker or brush applications. Another advantage is a decrease in freight costs since you add the water!

Item No.	Container Size
1482	Gallon Size Container
1484	5 Gallon Pail
1485	55 Gallon Drum
