

4" x 60 yd ImageStar Split Tape #IMS84514 18 rolls/case

Used for taping out the inside of the screen print frame.

The red side goes on the frame; the white side goes on the mesh.

- Red areas on the tape contain no adhesive to keep your frames clean and free of adhesive residue.
- Tape will not break, tear or shred, saves time in reclaim.
- Eliminates need for costly labor and solvents to clean frames.
- Available in 2" x 60 yd 36rls/cs, 3" x 60 yd 24rls/cs, 4" x 60 yd 18rls/cs

3" x 60 yd ImageStar Split Tape #IMS84513 24 rolls/case

- Available in 2" x 60 yd 36rls/cs, 3" x 60 yd 24rls/cs, 4" x 60 yd 18rls/cs

Split Tape

Protect your screen frames from ink & tape adhesive

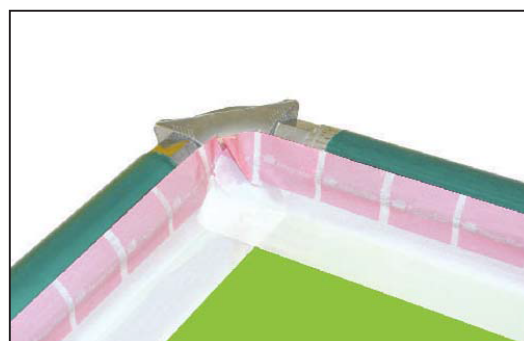

2" (IMS84512), 36 rolls per case

3" (IMS84513), 24 rolls per case

4" (IMS84514), 18 rolls per case

- Colored areas on the tape contain no adhesive to eliminate sticky adhesive residue from the edge of the frame.
- Save time and money - tape removes quickly and easily from the screen frame and leaves a clean frame edge.
- No release liner for quick application
- Resists most solvents used in ink removal
