

## IMS Textile Universal Wash

### Textile Universal Wash IMS427

*ImageStar* Textile Universal Wash is designed to be used at press, or prior to reclaim to remove plastisol inks from the screen. This product has a very low odor and can be used in all plastisol applications as a universal cleaner.

#### Processing Recommendations:

*ImageStar* Textile Universal Wash may be used in a plunger can, spray bottle, or directly from the container.

#### *For on Press and General Cleaning*

- Card out excess ink and apply a generous amount of product to a clean soft rag. Starting on the squeegee side, wipe screen until all ink residue is gone. Repeat steps on the print side of the screen.
- Use a dry clean rag to remove remaining residue. The screen is now ready to be re-taped or reclaimed.

#### Product Highlights:

- *IMS427 Textile Universal Wipe has a low odor and is used for on press and general screen cleaning. This is a very good product to be used as both an on press and screen wash.*

#### Packaging:

- 1 Gallon
- 5 Gallon
- 55 Gallon
