

IMS499 All Purpose Wash Solution

ImageStar All Purpose Wash Solution is a semi-viscous water soluble cleaner. It is designed for the removal of a variety of inks without attacking the emulsion. IMS499's top priority is plastisol and water-based inks. This product can be used for total removal of inks before reclaiming the screen. For reclamation, this product can be diluted 50/50 with water and still maintain excellent cleaning power and is perfect for use as a squeegee, flood bar, bucket and parts cleaner as well.

Advantages:

- Water based
- Low odor
- Low VOC (volatile organic compounds)
- High Solvency
- High load capacity to reduce usage
- Non-hazardous / Non-flammable
- Will not attack cyanoacrylate (instant) adhesives and it is a concentrated solution.

Nazdar stands behind the quality of this product. While technical information and advice on the use of this product is provided in good faith, the User bears sole responsibility for selecting the appropriate product for their end-use requirements. This product has not been tested for application by any other method than described.
