

IMS Special Backlit Films

The ImageStar Special Backlit Film is an economical weight fast dry, front-print, polyester backlit film designed for indoor and outdoor durable displays. This film features superior water resistance, scratch and fade resistance without sacrificing print quality or dry time. The super absorbent inkjet coating provides solid blacks and rich colors when illuminated.

Features

- Brilliant backlit colors
- High density - low ink usage
- No curl - no head strikes
- No lamination needed
- Great for outdoor and high humidity use
