

Stencil Remover Liquid No. 4

A ready-to-use liquid stencil remover for fast and thorough removal of direct emulsions, CDF® Direct-Films, Pulsar, and Ulanolux UP3 from all types of fabric, including metalized polyester.

Will not etch fabric; contains no strong alkalis or hypochlorites. Ideal for use in tanks; will not attack adhesives on stretch and glue frames; tank heating unnecessary. Odor free.

INSTRUCTIONS:

Remove ink with the proper solvent..

Use Screen Degreaser Liquid No. 3 to remove solvent residues and to help speed the action of the stencil remover. Rinse thoroughly.

Use a soft brush to apply Stencil Remover Liquid No. 4 on the screen from both sides.

Wait five minutes – no longer. **Do not allow the stencil remover to dry on the screen, as this can result in a permanent stencil.**

Wash away the stencil with a hard spray of water, preferably a power spray.

HEALTH AND SAFETY INFORMATION: Stencil Remover Liquid No. 4 is a strong oxidant, it can cause skin irritation; use gloves. Keep the container closed tightly. Clean spills immediately.

FIRST AID: In case of contact with the eyes or skin, flush immediately with water for at least 15 minutes. If irritation develops, contact a physician.

PACKAGING: 1 quart=946 ml 1 gallon=3.785 liters 5 gallons=18.925 liters 50 gallons=189.25 liters
