

41" Cold Laminator

Freestanding laminators have been designed to be fast and easy to use

Save time and money by using a freestanding laminator for quick and professional large format lamination

FEATURES & BENEFITS

● Easy To Use

Simple set-up with one button operation. Remote control and foot pedal designed for hands-free operation.

● Quality

Digital control with 9 speed settings, combined with silicone rubber rollers help deliver the perfect finish.

● Fast

Laminates pressure sensitive films up to 41"(1050mm) wide at speeds up to 9'(2.7m/min) per minute.

● Versatile

Designed for mounting up to 9/32" (7mm), plus laminating individual or multiple copies of poster printers, POP signs, training aids, rigid or flexible signage, inkjet, photo, floor graphics, and much more.
