

UltraPoplin® Soft Image U240 is a 7.5oz soft poplin that is 100% knitted polyester with a matte finish. 20% of the polyester is reclaimed and is 100% recyclable. The U240 is bath coated with a digital water base 95% biodegradable coating. The material is optically white with under 1% color tolerance lot to lot. Polyester yarn knitted and special coatings are designed to make this an easily printable fabric that is wrinkle and crease resistant. Primary applications include event and tradeshow display systems, POP/POS signs and virtually any soft signage. The UltraPoplin Soft Image U240 is printable with Dye Sub transfer, Dye Sub direct, some UV and Latex printers. Sizes range from 61" to 198".
