

VorTex™ Bolero S225 is a 6.5 oz. woven polyester fabric. The bright white fabric enriches colors, producing vivid eye-catching images. VorTex Bolero S225 may be used for a wide range of applications including light boxes, POP displays, backlit displays/frames, indoor banner displays and roll up displays. The material is compatible with solvent, eco-solvent, UV and Latex printing. VorTex Bolero S225 is fire retardant and is available in widths from 54" – 126."
